## Atlanta Swim Association Championship Rules and Regulations

1. **Participation Requirements:** A swimmer must have participated in at least one regularly scheduled dual meet to be eligible for the championship meet.
2. **Entry Fees:** The entry fee check should be made payable to Atlanta Swim Association and should be brought to each team's divisional session. The entry fee for the meet is a flat \$23.00 per swimmer. Teams must submit ONE CHECK for their entry fees.
3. **Entry Format and Deadline:** Entries must be completed using Hy Tek Team Manager. Teams do not need to include heat/lane assignments, entries will be seeded based on entry time. Entries submitted without entry times will be seeded last at NT's (no time). All entries are due no later than Friday, June 21<sup>st</sup> at 1 pm to frankem355@aol.com.
4. **Entry File Requirements:** A Hy Tek Team Manager entry file, PDF file export of the entry report, and final team roster must be included with the entries. Entry fees along with a final balance of team dues must be delivered by the first day of the league championship.
5. **Entry Limits:** Each swimmer is allowed to enter two individual events and two relays. Teams may enter and score as many swimmers as they want in any individual event.
6. **Relay Entry Limit:** For the Divisional session, teams may only enter 3 relays in each relay event and only one relay per team per relay event can score. If a team places more than one relay in the top 24 they will receive awards for the swim, but they will not receive the points. Those points will be given to the remaining teams displaced by second relays.
7. **Meet Warmups:** Scheduled warmups for each session will be offered 90 minutes prior to the start of your scheduled divisional session. Warmups for finals will be as follows Teams A-F 9:30 am – 9:55 am and 2:30 pm – 2:55 pm; Teams G-O 9:55 am – 10:20 am and 2:55 pm – 3:20 pm; and teams P-Z 10:20 am – 10:45 am and 3:20 pm – 3:45 pm. Feet first entries for all warmups only, except for designated one way sprint lanes. Teams failing to follow these procedures will be removed from their warmup session.
8. **Returning Swimmers:** Teams will compete in a Divisional meet on Wednesday, Thursday, or Friday. The top 10 relay times, top 40 individual 10 and under times and top 30 11 and over individual times from the combined results of the divisional meets will return for the Championship Final at the end of the week. Both the divisional and championship sessions will be scored and team awards will be provided for each meet.
9. **Relay Qualifying Limits:** For the Championship session teams will be allowed to only advance their fastest relay from the divisional meets. It is strongly advised that teams use the same personnel for the Championship that they used in the Divisional, unless a swimmer is unable to attend the Championship session, in which case swimmer(s) may be substituted.
10. **Meet Results and Posted Qualifiers:** RESULTS FROM DIVISIONALS WILL BE UPDATED AFTER EACH SESSION AND POSTED AT [www.atlantaswimming.com](http://www.atlantaswimming.com). THIS IS WHERE YOU CAN FIND OUT IF YOUR SWIMMER HAS QUALIFIED TO SWIM IN SATURDAY'S FINALS.
11. **Scoring Divisions:** For the Divisional Meet, teams are ranked prior to the meet based on a formula that includes current season dual meet wins (2 points per win), team entry size (1 point

for each 10 swimmers entered), and points scored in the previous year's championship (1 point per 50 points scored) and will be scored separately for team points. The top 3 teams in each division will receive a trophy. There will be approximately 12 – 15 teams per division in each meet.

12. **Scoring:** The top 24 places for the divisional and the top 20 places for the championship will score.
13. **Finals Scoring:** Swimmers qualifying for the Championship session can place anywhere in the session. A swimmer or relay in the first heat can place as high as first, a swimmer or relay in the last heat can place as low as last in that session.
14. **Meet Bullpen and Athlete Staging:** All swimmers must go through the bullpen to participate in any race. All swimmers should report to the bullpen on the first call. No swimmer will be paged to the bullpen. Only competitors and authorized meet workers are allowed in the bullpen.
15. **Coaches Area:** Only coaches will be allowed in the coach's area.
16. **Event Alternates:** Alternates (first or second only) will be eligible to be placed into an open lane for a swimmer who does not show for their race. Once a heat has left the staging area to be taken to the blocks the seated alternate will swim in that heat. A qualified swimmer who no shows for that race will then assume the first alternate spot if they show after their heat has left the staging area.
17. **Finals Scratches:** Scratches for the Championship session should be communicated as soon as possible to allow notification of alternates. Teams will be provided a scratch form when they get their heat sheets for their divisional session. That scratch sheet must be returned to the meet manager before the end of that team's divisional session. Swimmers who fail to show for finals without a medical excuse or other family emergency are subject to a \$10/event fine, payable by the team.  
  
Teams that have more than 10% of their qualifiers for finals no show for the ASA championship finals without being properly scratched from that session during their divisional will not be allowed to score team points in the finals session. Swimmers from that team will still be allowed to compete and receive individual awards, but will not score team points.
18. **Swimming Up:** The rules regarding swimming up in age group in dual meet competition apply for the League Championship Meet.
19. **Late Entries and Changes** – Late entries are allowed for the league championship meet on a lane availability basis for individual events only at a cost of \$30 per individual event and \$50 per relay, relay only swimmers are subject to a \$30 per swimmer fee. Changing of events at the league championship will be permitted at the discretion of meet management up to 48 hours prior to that team's divisional session at the late entry fee rate.
20. **Awards:** The top 30 swimmers will receive awards for each divisional session. Medals will be provided for the top 10 finishers in the Championship session; ribbons will be provided for all other places.
21. Smoking and glass items are prohibited inside the pool area.

22. **Parking:** Cars illegally parked will be towed immediately at the owner's expense. Please carpool whenever possible, this is a very large event.
